IMPORTANT NOTICE

Beaches Energy Services cautions our customers of phone solicitation by firms offering free energy audits. If you are contacted by an unfamiliar company attempting to come into your home under the premise of a free energy audit, be cautious of what they are trying to “sell” you.

Beaches Energy Services provides “free” residential energy audits and advice on ways to save energy and money. Any questions or concerns, call 904-247-6241 or email [customerservice@beachesenergy.com](mailto:customerservice@beachesenergy.com)
